Protective Custody Information

A protective custody animal is one that is placed in foster care until an animal cruelty case outcome is determined. Protective custody animals are considered personal property of the person under investigation until surrendered or the person is found guilty in a court of law.

Would you be interested in fostering a protective custody animal? (Please Circle)

YES

NO

| Filly | Colt | Mare | Gelding | Stallion |
| Pony | Mule | Donkey | Miniature | Full-size |

I confirm that all information supplied on this profile is true and correct and that a brief home visit is required. I understand that the WHS is not responsible for any property or personal damage or wounds inflicted or illnesses caused by the foster animal(s). I also understand that seized animals needing foster homes may not be available for adoption and may have to be returned to their owner. I further understand that if the animal(s) becomes available for adoption through the WHS, there is no guarantee that the animal(s) will be adopted to me.
